Placement and Maintenance

Linear™ Mirror is designed for indoor use. Clean mirror with glass cleaner, and wood veneer and chrome with a moist cloth.

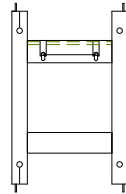

The assembly workspace should be a non-marring surface such as carpet. For missing hardware, please contact BDI Customer Service at: customerservice@bdiusa.com For all other concerns please contact your local BDI Retailer.

Component List

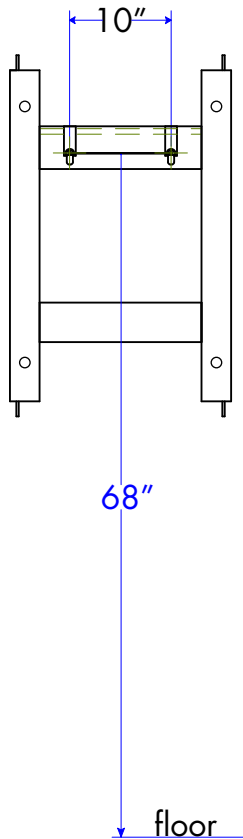

A - Mirror x 1

B - Frame Assembly
**Pre-installed*
Rubber Pads x 4
D-Rings x 2
Velcro Strip x 1

C - Picture Hanger
and
Nails
x 2

Step 1 - Hanging the Frame Assembly at BDI's suggested height:

At 68" from the floor make two marks with a pencil, 10" apart. **Make sure your marks are level** then install supplied Picture Hangers (**C**). **Verify that Picture Hangers are level** and hang Frame Assembly (**B**) from D-Rings. (See illustration to left)

Step 2 - Install Mirror to Frame Assembly:

Grasping Mirror carefully with two hands, center mirror over Frame Assembly, ensuring that Mirror's cleat (**A-1**) engages and hangs on upper horizontal bracket of Frame Assembly (**B-1**). Apply gentle pressure at lower portion of Mirror against Frame Assembly to engage Velcro attachment.
