\*Component Capacity assumes double-stacking of some components.

\*\*Recommended TV Size is based on industry average sizes and weights. May not be suitable for TV size listed if the overall component width has been significantly increased for side speakers. Consult manufacturer's specifications to ensure proper fit as TV model designs vary dramatically.

\*\*\*Due to the height of cabinets 8428 & 8928, maximum TV size is 42" flat panel TV when used with Arena Mount 9972.

Furniture dimensions, specifications, materials, finishes and availability are subject to change. Please verify critical parameters prior to purchase by logging onto BDIUSA.com to view the most current information.
